The Vice Principal of the college & NAAC Coordinator, Dr. Leki Sitang reflected on the preparedness of NAAC accreditation for the fourth cycle due in the year 2024. Dr. Sitang suggested that all the HOD's should keep the data (student results, project details, placements, and achievements of departments etc) of last five years of their department ready for the NAAC visit. Being the academic in charge of the college, Dr. Sitang also stressed on the timely completion of syllabus.

Dr. S. Jayanthi, Assistant Professor in Physics and HoD-Physics draw the attention of the members towards the unavailability of latest laboratory equipment to fulfil the needs of NEP and CBCS curricula.

Almost all the present members discussed the different aspects of the work plan like curricular aspects, teaching learning and evaluation, research innovation and extension, infrastructure and learning resources, student support and progression, governance leadership & management, and institutional values & best practices. The criteria-wise modification suggested are as follows.

CRITERION I:- CURRICULAR ASPECTS

No change required.

CRITERION II: - TEACHING, LEARNING AND EVALUATION

2.1 Student Enrolment and Profile

Under the sub-head 2.1.1 (Demand Ratio during the year) it was decided to put only the first semester admission data of all programs offered in the institution.

2.3 Teaching-Learning Process

In order to make teaching-learning process in the college more impactful and to gradually strengthen the digital platform in line with other reputed institutions of the country the installation of the Learning Management System (LMS) software was strongly felt. As it involves huge cost, it was decided to send a proposal along with quotation from a reputed vendor, to the state Govt, seeking financial support for the installation of such software in the college.

2.7 Student Satisfaction Survey

The students being a major stakeholder in a higher educational institution, the Student Satisfaction Survey (SSS) is of paramount importance in the context of planning and implementation of educational innovations. As proposed in the last work plan meeting, last year the student satisfaction

11. Lesson Plan
 12. Any other Issues related to the Department

At the very beginning the Principal of the College and Chairperson IQAC, Dr. Tasi Taloh, welcomed all members present in the meeting and talked about the objective of the two-day long interface meeting to review the academic performances of the students in the last university exams and take remedial measures if required to improve the examination results further as a quality initiative. He invited constructive suggestions from all members that would be feasible for implementation.

Principal thoroughly discussed regarding the students enrollment, academic flexibility, teacher student ratio, departmental routine and paper distribution, effectiveness of students' mentoring and feedback mechanisms from different stakeholders. Principal duly put emphasis on various research and development activities of the college, especially Research Projects, Publications, Seminars and other academic engagements etc.

Dr. Leki Sitang, Vice Principal & Academic In charge, apprised the various academic activities as well as academic performance of students. He further emphasized on strengthening the college as well as departmental libraries. Further, he provided various cues towards NAAC accreditation and preparedness for it.

Dr. D. P. Panda, the Coordinator of IQAC, also extended a warm welcome and requested all members of IQAC and faculty members of every department sitting with the IQAC committee in separate slots, to put forth their pragmatic views for the overall development of academic environment and NAAC preparedness that can be implemented effectively.

Decisions taken in the meeting:

1. As the pass percentage of all the departments in the previous year was more than 85% all the members present expressed their satisfaction over the spectacular performance of the students and resolved to continue with the same spirit in the years to come.
