

JAWAHARLAL NEHRU COLLEGE, PASIGHAT
ACTION TAKEN REPORT ON THE BASIS OF SWOC ANALYSIS
(2023-24)

Objective:

After due analysis of the feedback received from different stakeholders, the Institution tries to improve the quality aspects in different fields.

Methodology:

Feedback is gathered from various stakeholders, including students, teachers, parents, and alumni, through Google Forms. The college compiles an institutional-level feedback report. The SWOC committee systematically collects and analyzes feedback on the curriculum from students and teachers, as well as feedback on teachers, alumni, and parents.

Feedback Analysis:

The collected data is systematically organized, classified, and analyzed using statistical tools. Based on the findings, a final report is prepared for discussion in IQAC meetings. The concerns and suggestions raised by all stakeholders are carefully considered and addressed.

Action Taken Report:

The feedback received, including suggestions and comments, is promptly communicated to the relevant authorities. As an affiliate of Rajiv Gandhi University, the institution adheres to the university's prescribed syllabus. However, with a significant number of senior faculty serving on the Board of Undergraduate Studies, they actively contribute to the syllabus revision process, ensuring that suggestions are effectively conveyed. Each year, the Annual Feedback Action Taken Report serves as the basis for planning the academic activities for the following year.

Sl.no	STUDENT FEEDBACK	ACTION TAKEN
	Recreational facilities	To enhance recreational facilities to student, an additional canteen is operational since 2022-23 and also new auditorium is under construction.
	Lack of Faculty in some department	New Guest Lecturers has been appointed in all concerned departments.
	Relevance of syllabus	New UGC prescribed NEP-2020 has been introduced in UG courses (all the three streams viz. arts, science, and commerce) and in PG Course as well.
	Up gradation of Laborites	Many new lab equipments were procured in science department.
	Need of more value-added Courses.	New value-added short-term courses on soft skills, personality development and communication skills etc will be introduced in the coming session.
	Class timing to be made compact.	Routine committee already apprised to make class timing compact. However, due to NEP-

		2020, CBCS and non-CBCS courses the present class timings cannot be made compact.
	Requirement of more Xerox facility	The Xerox facility of the Library has been upgraded for the benefit of the students. Some departments/Cells have also been provided with machines.
	Students need more smart classrooms.	College has decided to provide more smart classrooms/LCD projects and smartboards.
	Students suggested for more computer facilities	Additional Computer centre is operational from 2022-23 and few computers were provided in some department.
	Student need more hostel facilities	One boys hostel and one girls hostel has become functional from the session 2021-22 and one more girl's hostel is under construction.
	Health and sanitation	The file has been placed before appropriate authority for up gradation of health center.
